

WATER AUTHORITY. LIVELY DAY FOR YACHTS

Many White Wings Out for Prizes.

A LADY'S BREEZE ONLY

Eva Wins to Rabbit Island and Return—Many People Watch Contests Alongshore.

Yachtsmen celebrated the glorious Fourth in a noble manner yesterday, as many as fifteen lively little craft graced the waters from the harbor to Makapuu Point. Four races were down at the Fourth of July events, and there was some lively maneuvering for the trophies put up by the Fourth of July committee.

But very little wind prevailed at the time of the starting of the first-class yachts, and the many people who were watching along the shore prophesied a poor day's sport. But nevertheless they managed to get away all right and soon caught the usual reliable breeze once they got well out from under the hills, and it was not long before they had as good a wind as they wanted.

Charlie Graham had charge of arrangements and all went well. Starts were promptly made. First the first-class yachts got away. The Bonnie Dundee got over the line first by about a minute, the Eva, formerly the Gladys, and La Palma following.

The route to be covered was as follows: From a line drawn at the mouth of the channel, from the Heanani Boat Club house to the lighthouse, thence around the southeastern point of the island, turning Rabbit Island on the port side and returning to the starting point. In the first class the Bonnie Dundee, as before stated, got the most good out of it. The Eva rounded Rabbit Island in the lead, followed by the Bonnie Dundee and La Palma in the order named. The Eva held her position back to the point of starting, arriving at the lighthouse as the Bonnie Dundee was passing the bell buoy.

The course for the second, third and fourth class yachts' race was as follows: Race to start and finish at line across channel from lighthouse to Heanani boat house; course from starting line passing out of the channel, keeping between lines of buoys and piles, leaving spar and bell buoy on port side; thence to and around stake boat off Sans Souci, keeping it on the port side in rounding; thence to a stake boat off Kalia channel, keeping it on the starboard side in rounding; thence, leaving bell buoy on port side, to and around buoy at wreck of the William Carson, leaving it on the port side in rounding; thence to bell and spar buoys, leaving both on starboard; thence, keeping between lines of buoys and piles in channel to starting line. Course, 18 miles.

The Hawaii got away first in the second-class race, with the Marion close astern. They started at 2:35 a. m. and returned to port as follows: Hawaii, 11:15:4; time, 2:50:4. Marion, 11:50:35; time, 3:25:25. Hawaii beat Marion in time 35 minutes, 31 seconds.

In the third class there were four starters. The Myrtle crossed the line first, about Smith came second, Leona third and Malolo fourth. The race was full of interest and closely watched. A fairly good wind prevailed at the start.

All the yachts except the Myrtle and Leona were disqualified in the third-class race, owing to the fact that, according to the rules, the men in the Leona had rather a hard time of it, as she sprung a leak and kept them busy bailing.

In time the Myrtle won this race by 20 minutes and 30 seconds.

In the fourth-class race the contestants started in the following order: Rose, Abbie M., Clytie, Alice M., Pokil. In matter of time the race belongs to the Pokil by 3 minutes and 15 seconds. The Rose returned first to the point of starting, but was disqualified, as she did not sail the course.

G. O. Ziegenfuss Here.

C. O. Ziegenfuss, a well-known newspaper man, arrived yesterday on the Australia. Mr. Ziegenfuss came expecting to take his pen in hand at once but two days ago he was attacked by rheumatism—an old foe—and finds himself in poor shape for work. He will recuperate at the home of E. S. Gill and has hopes of reaching his desk next week.

INFORMATION FOR LOCAL SHIPPERS

A circular notice to shippers of merchandise from Hawaiian ports to any other American ports has been issued by the Treasury Department, dated May 25th, 1900, and numbered Circular No. 75, which provides that—

"Merchandise not the growth, production or manufacture of the Hawaiian Islands, when shipped to the United States, must be accompanied by a certificate from the chief officer of the vessel at the port of shipment, stating the date of importation of the merchandise into Hawaii."

Section 93 of the Act approved April 20, 1900, entitled "An Act to provide a government for the Territory of Hawaii," reads as follows:

"That imports from any of the Hawaiian Islands into any State or any other Territory of the United States, of any dutiable articles not the growth, production or manufacture of said islands, and imported into them from any foreign country after July seventh, eighteen hundred and ninety-eight, and before this Act takes effect, shall pay the same duties that are imposed on the same articles when imported into the United States from any foreign country."

In order that the consignees in the States be enabled to receive their goods upon arrival at port of destination, with the least possible inconvenience, and as in some instances the customs officers at ports in the States will be unable to determine which is and which is not the product, growth or manufacture of the Hawaiian Islands, it has been requested by the custom house attorney for the Oceanic Steamship Co., Mr. H. B. Thomas, that Hawaiian shippers of all merchandise to the States, whether the articles shipped be the product or growth or manufacture of the islands or not, procure from the chief officer of the customs at the port of shipment a certificate, in triplicate, stating the date, if of foreign growth, product or manufacture, of importation of the merchandise into Hawaii, and in case of Hawaiian growth, product or production, so stating in his certificate.

One copy of this certificate should be taken by the shipper to the agents of the vessel upon which the merchandise is to be shipped, and attached by said agents to the coastwise manifest of the vessel, and accompany the vessel to port of destination in the States. The second copy of the certificate should be mailed to the consignee at port of destination. The third copy should be left with the chief officer of the customs at the port of shipment.

The form of certificate is not prescribed by the Treasury Department, but the following form as a guidance is submitted by Mr. Thomas:

Declaration of shipper or his duly authorized agent, covering goods shipped from the Territory of Hawaii to any other State or Territory in the United States.

I,, do solemnly and truly declare that I am the shipper (or agent of shipper) of the merchandise described in the annexed statement, that the statement contains a just and true account of all the goods, wares and merchandise shipped by, in the, whereof, is master, for, and consigned to, at, (consignee's residence.)

CONCERT AT HAWAIIAN.

The Hotel Lanai Were a Brilliant Scene Last Night.

The Hawaiian Hotel was resplendent last evening in its patriotic array of red, white and blue incandescent lamps, relieving the masses of tri-colored bunting which covered every portion of the Lanai. The band stand was brilliantly illuminated, while under the trees a myriad of paper lanterns were strung. The general effect of the scene in the hotel grounds was the best that has been brought about by the hotel people.

The decorations were largely due to the patriotism of the new manager, Mr. J. W. Allen, who did not stint himself in making things attractive for his guests. The Lanai were filled with hotel guests and town people gathered to enjoy the music. The program was a medley of national airs from beginning to end, and drew rounds of applause.

The dinner was a special feature at the hotel and was attended by many outsiders. The menu card was in the nature of a souvenir and presented to each guest in a sham cannon firecracker. The dishes were excellent and the diners went away with praise on their lips for the efforts of the new manager.

A LONG FELT WANT.

It is Supplied in Honolulu at Last.

It is hard always to be pleasant. Good-natured people are often irritable.

If you knew the reason you would not be surprised.

Ever have itching piles?

Not sick enough to go to bed nor well enough to be content.

Nothing will annoy you so.

The constant itching sensation.

Hard to bear, harder to get relief.

Keeps you awake nights.

Spoils your temper—nearly drives you crazy.

Isn't relief and cure a long-felt want?

It is to be had for everyone in Doan's Ointment.

Doan's Ointment never fails to cure itching piles.

Eczema or any itching of the skin.

Here is proof of it in the testimony of

Mr. Frank Leibly of 326 S. Main st., Wilkesbarre, Pa., who says: "It is with much pleasure that I testify to the merits of Doan's Ointment in cases of itching piles. I suffered from that torrid nearly everything that was recommended to me and what I saw advertised, but I could get no relief. Finally I procured Doan's Ointment. After a few applications I was much relieved, and, continuing the treatment, I was soon completely cured. I have felt no signs of that intolerable itching since, and it is four months ago since I used Doan's Ointment. To say that I was delighted is only half expressing my enthusiasm. I recommend this remedy whenever the opportunity is presented. You may publish my statement at any time and I can always be found at 326 S. Main street, and will vouch for the same."

Doan's Kidney Pills for sale by all dealers; price 50 cents. Mailed by The Hollister Drug Co., agents for the Hawaiian Islands.

NOTICE.

To Our English-Speaking Friends:

The Chinese merchants and residents of the Hawaiian Islands, represented by the undersigned, being desirous of providing for their sons a thorough and comprehensive education in English, raised in pledges, from August to December, sufficient funds to justify them in undertaking to erect commodious buildings for this purpose in Kamakela. The contract was let and the main building partially completed, when the plague broke out and interrupted the work. As you well know, our countrymen have been the greatest sufferers from this epidemic and the fires connected with it. Consequently, those who generously subscribed toward the school enterprise, being called upon to donate large sums for the relief of their fellow-countrymen who have suffered severely from the fire, find themselves unable to fulfill their pledges at present. The main building is now on the point of completion, and the contractor, being himself homeless, is in great need of help.

In this emergency, and because we believe you recognize that our motives in undertaking this enterprise were philanthropic, our object a commendable one, and that we are in no wise at fault for the straits in which we now find ourselves; we therefore solicit such contributions to our present needs as your beneficence will allow. Send all cash or pledges to Wong Kwai, Box 554, Honolulu.

Very respectfully yours,

WONG KWAI.

CONCERT AT HAWAIIAN.

The Hotel Lanai Were a Brilliant Scene Last Night.

The Hawaiian Hotel was resplendent last evening in its patriotic array of red, white and blue incandescent lamps, relieving the masses of tri-colored bunting which covered every portion of the Lanai. The band stand was brilliantly illuminated, while under the trees a myriad of paper lanterns were strung. The general effect of the scene in the hotel grounds was the best that has been brought about by the hotel people.

The decorations were largely due to the patriotism of the new manager, Mr. J. W. Allen, who did not stint himself in making things attractive for his guests. The Lanai were filled with hotel guests and town people gathered to enjoy the music. The program was a medley of national airs from beginning to end, and drew rounds of applause.

The dinner was a special feature at the hotel and was attended by many outsiders. The menu card was in the nature of a souvenir and presented to each guest in a sham cannon firecracker. The dishes were excellent and the diners went away with praise on their lips for the efforts of the new manager.

A LONG FELT WANT.

It is Supplied in Honolulu at Last.

It is hard always to be pleasant. Good-natured people are often irritable.

If you knew the reason you would not be surprised.

Ever have itching piles?

Not sick enough to go to bed nor well enough to be content.

Nothing will annoy you so.

The constant itching sensation.

Hard to bear, harder to get relief.

Keeps you awake nights.

Spoils your temper—nearly drives you crazy.

Isn't relief and cure a long-felt want?

It is to be had for everyone in Doan's Ointment.

Doan's Ointment never fails to cure itching piles.

Eczema or any itching of the skin.

Here is proof of it in the testimony of

Mr. Frank Leibly of 326 S. Main st., Wilkesbarre, Pa., who says: "It is with much pleasure that I testify to the merits of Doan's Ointment in cases of itching piles. I suffered from that torrid nearly everything that was recommended to me and what I saw advertised, but I could get no relief. Finally I procured Doan's Ointment. After a few applications I was much relieved, and, continuing the treatment, I was soon completely cured. I have felt no signs of that intolerable itching since, and it is four months ago since I used Doan's Ointment. To say that I was delighted is only half expressing my enthusiasm. I recommend this remedy whenever the opportunity is presented. You may publish my statement at any time and I can always be found at 326 S. Main street, and will vouch for the same."

Doan's Kidney Pills for sale by all dealers; price 50 cents. Mailed by The Hollister Drug Co., agents for the Hawaiian Islands.

Remember the name, DOAN'S, and take no substitute.

NOTICE.

To Our English-Speaking Friends:

The Chinese merchants and residents of the Hawaiian Islands, represented by the undersigned, being desirous of providing for their sons a thorough and comprehensive education in English, raised in pledges, from August to December, sufficient funds to justify them in undertaking to erect commodious buildings for this purpose in Kamakela. The contract was let and the main building partially completed, when the plague broke out and interrupted the work. As you well know, our countrymen have been the greatest sufferers from this epidemic and the fires connected with it. Consequently, those who generously subscribed toward the school enterprise, being called upon to donate large sums for the relief of their fellow-countrymen who have suffered severely from the fire, find themselves unable to fulfill their pledges at present. The main building is now on the point of completion, and the contractor, being himself homeless, is in great need of help.

In this emergency, and because we believe you recognize that our motives in undertaking this enterprise were philanthropic, our object a commendable one, and that we are in no wise at fault for the straits in which we now find ourselves; we therefore solicit such contributions to our present needs as your beneficence will allow. Send all cash or pledges to Wong Kwai, Box 554, Honolulu.

Very respectfully yours,

WONG KWAI.

WATER AUTHORITY. LIVELY DAY FOR YACHTS

Many White Wings Out for Prizes.

A LADY'S BREEZE ONLY

Eva Wins to Rabbit Island and Return—Many People Watch Contests Alongshore.

Yachtsmen celebrated the glorious Fourth in a noble manner yesterday, as many as fifteen lively little craft graced the waters from the harbor to Makapuu Point. Four races were down at the Fourth of July events, and there was some lively maneuvering for the trophies put up by the Fourth of July committee.

But very little wind prevailed at the time of the starting of the first-class yachts, and the many people who were watching along the shore prophesied a poor day's sport. But nevertheless they managed to get away all right and soon caught the usual reliable breeze once they got well out from under the hills, and it was not long before they had as good a wind as they wanted.

Charlie Graham had charge of arrangements and all went well. Starts were promptly made. First the first-class yachts got away. The Bonnie Dundee got over the line first by about a minute, the Eva, formerly the Gladys, and La Palma following.

The route to be covered was as follows: From a line drawn at the mouth of the channel, from the Heanani Boat Club house to the lighthouse, thence around the southeastern point of the island, turning Rabbit Island on the port side and returning to the starting point. In the first class the Bonnie Dundee, as before stated, got the most good out of it. The Eva rounded Rabbit Island in the lead, followed by the Bonnie Dundee and La Palma in the order named. The Eva held her position back to the point of starting, arriving at the lighthouse as the Bonnie Dundee was passing the bell buoy.

The course for the second, third and fourth class yachts' race was as follows: Race to start and finish at line across channel from lighthouse to Heanani boat house; course from starting line passing out of the channel, keeping between lines of buoys and piles, leaving spar and bell buoy on port side; thence to and around stake boat off Sans Souci, keeping it on the port side in rounding; thence to a stake boat off Kalia channel, keeping it on the starboard side in rounding; thence, leaving bell buoy on port side, to and around buoy at wreck of the William Carson, leaving it on the port side in rounding; thence to bell and spar buoys, leaving both on starboard; thence, keeping between lines of buoys and piles in channel to starting
